Agenda Memo**

**City Council
Meeting Date: August 25, 2011**

TO: Larry D. Gilley, City Manager

FROM: Ronnie C. Kidd, Managing Director for Administration

SUBJECT: Oral Resolution Ratifying the Meet and Confer Agreement between the City of Abilene and the Abilene Professional Fire Fighters Association

GENERAL INFORMATION

The Meet and Confer Agreement currently in effect between the City of Abilene (the City) and the Abilene Professional Fire Fighters Association (APFFA) is for the period October 1, 2008 through September 30, 2011, as amended and extended. Accordingly, a team representing the City and a team representing the APFFA have been in the negotiation cycle for the last several months to reach an agreement to be effective October 1, 2011.

Texas Local Government Code Chapter 142 provides for the meet and confer process. Once again, we are pleased with the outcome of the process and believe the new agreement continues to provide benefits to both parties. Attached is a summary of the key points and/or changes reflected in the new agreement. The agreement covers the two year period October 1, 2011 through September 30, 2013 (fiscal years 2012-2013).

Ratification of the agreement by APFFA membership was accomplished and we received notification from the APFFA president on August 4, 2011.

SPECIAL CONSIDERATIONS

The agreement provides for overrides to Chapter 143 Civil Service requirements that enhance the hiring and promotional processes for the fire department. Additionally, the agreement provides for some updating of previous agreement language to align with operational changes that have occurred in the department.

FUNDING/FISCAL IMPACT

The proposed fiscal year 2012 budget currently under consideration by Council provides for a 3% across-the-board compensation increase for all employees, effective March 25, 2012. The agreement reflects this compensation adjustment. The agreement also contains "reopener" language to allow for discussion regarding base pay during the City's fiscal year 2013 budget process (for year two of the agreement).

STAFF RECOMMENDATION

Staff recommends that the City Council ratify the Meet and Confer agreement between the City and APFFA for the period October 1, 2011 through September 30, 2013.

This grant will fund reconstruction of Taxiway C and Taxilane EASI and design of Taxiways M, N and P Reconstruction. The contracts for each of these projects will be considered by Council separately.

FUNDING/FISCAL IMPACT

Accepting the FAA offer for this grant will obligate the City to fund its local share of project costs, as well as agree to grant assurances which the City is currently obligated to under previously accepted grants. The local 5% match is proposed to be funded with general obligation bonds. The dollar amounts of the local match will be detailed in the agenda memos awarding or otherwise approving the individual projects.

STAFF RECOMMENDATION

Staff recommends the City Council authorize the City Manager to accept a possible offer from the FAA for AIP Grant 41.

BOARD OR COMMISSION RECOMMENDATION

The Airport Development Board voted to recommend acceptance this grant at its August 10th meeting.

City Council
Agenda Memo

TO: Larry D. Gilley, City Manager

Meeting Date: 8-25-2011

FROM: Jon James, Director of Planning and Development Services

SUBJECT: First Reading of Ordinance Creating a Municipal Setting Designation for the Pine Street Corridor and South Downtown Area and Adjacent Properties; and Calling a Public Hearing on September 8, 2011.

GENERAL INFORMATION

As part of an overall effort to encourage infill development, the City of Abilene has been taking steps to facilitate the redevelopment of properties located in areas in and around the downtown, including both the north and south downtown areas, the Warehouse District, the Carver Neighborhood, and the Pine Street Corridor. Due to the historic uses of properties located in those areas, the ground water has been contaminated. This type of contamination is commonly found in the older portions of urban areas and can make redevelopment of properties difficult and expensive for developers.

Subchapter W “Municipal Setting Designations” of Chapter 361 “Solid Waste Disposal Act” of the Texas Health and Safety Code authorizes the Texas Commission on Environmental Quality (TCEQ) to create municipal setting designations (MSDs). Section 401.05(a) of the Texas Local Government Code allows the governing body of a municipality to establish and enforce a MSD to regulate the pumping, extraction, or use of groundwater to prevent the use of or contact with groundwater that presents an actual or potential threat to human health. While the creation of an MSD does not alleviate all requirements for the clean up of contaminated property, it does make the clean up process much more manageable for developers.

This item is for adoption of a MSD Ordinance prohibiting the use of potable groundwater beneath properties in and around the Pine Street Corridor and South Downtown Area (“designated property”) and supports certification of a MSD for the designated property by the TCEQ. Passing the ordinance will encourage the further redevelopment of the designated property.

SECTION 11. That this municipal setting designation ordinance shall take effect immediately from and after its passage and publication in accordance with the provisions of the Charter of the City of Abilene, and it is accordingly so ordained.
