ZONING CASE Z-2014-06

STAFF REPORT

APPLICANT INFORMATION:

New Beginnings Church
Agent: Jonathan Neely

HEARING DATES:

Planning & Zoning Commission: March 3, 2014
City Council 1st Reading: March 27, 2014
City Council 2nd Reading: April 10, 2014

LOCATION:

5535 Buffalo Gap Rd

REQUESTED ACTION:

AO/COR (Agricultural Open Space/Corridor Overlay) to MX/COR (Mixed Use/Corridor Overlay) & RS-8 (Single-Family Residential) zoning

SITE CHARACTERISTICS:

The subject parcel totals approximately 5.275 acres. The property is currently zoned AO & AO/COR and is developed with a church on the front portion of the property.

ZONING HISTORY:

The area was annexed in 1963 and zoned AO at that time. The Buffalo Gap Corridor Overlay was approved in 1995.

ANALYSIS:

- Current Planning Analysis
Currently the property is zoned AO with Corridor Overlay and is developed with a church on the front portion of the property. The property to the north and east is zoned RS-8 and is developed as the Silver Oaks residential subdivision. The properties to the south are zoned AO & PD (Planned Development) and developed as residential, including the Fairway Oaks subdivision. The properties to the west are zoned RS-12/COR and is developed with residential uses. There are several churches mixed within the area. The requested MX zoning is to allow for incorporation of a “Day-Care Operation – Center Based” use at New Beginnings Church and would be for the western 500 feet of the property. In the MX district, “any nonresidential use over 5,000 square feet in floor area...shall require a Conditional Use Permit.” The City is recommending that the remainder of the property be rezoned to the RS-8 district to match the existing zoning of the other properties along Silver Oaks Dr.
- Comprehensive Planning Analysis
The Future Land Use section of the Comprehensive Plan designates the area as low-density residential. The property is not close to a major intersection. The Buffalo Gap Corridor study indicates that retail & commercial zoning is allowable in nodes at intersections of major thoroughfares. The requested zoning would allow for limited retail & commercial uses,

including a commercial day care use. The requested zoning would be compatible with the adjacent uses and the Comprehensive Plan.

PLANNING STAFF RECOMMENDATION:

Staff recommends approval as requested and the remaining portion of the property being rezoned to the RS-8 district.

PLANNING AND ZONING COMMISSION RECOMMENDATION:

The Planning and Zoning Commission recommends approval of the MX zoning only by a vote of 6 in favor (Bixby, Glenn, McClarty, Todd, Yungblut, and Famble) and none opposed.

NOTIFICATION:

Property owners within a 200-foot radius were notified of the request.
