City Council Agenda Memo

City Council Meeting Date: 3/27/2014

TO: Larry D. Gilley, City Manager

FROM: Jon James, AICP Director of Planning and Development Services

SUBJECT: First reading on an ordinance for Case No. Z-2014-08, a request from South Pointe Church, agent Trace Bailey, to rezone property from RS-6 (Single-Family Residential) to NR (Neighborhood Retail) zoning, located at 2934 Buffalo Gap Rd & 2419 Edgemont Dr; and setting a public hearing for April 10, 2014.

GENERAL INFORMATION

Currently the properties are zoned RS-6 and a home is developed on 1 of the properties. The properties to the north, south, & west are zoned RS-6 and is developed with residential uses. There is a small area of MD (Medium Density) zoning to the north along Buffalo Gap Rd and is developed with duplexes. The properties to the east are zoned RS-8 (Single-Family Residential) and developed with residential uses as well. The South Pointe Church building is located nearby on a property to the south. The subject parcels are no longer needed by the church. The requested zoning is to help market the property for sale. The NR (Neighborhood Retail) zoning is intended to be compatible when adjacent to single-family zoning, but more intended as a transition from higher intensity zoning to residential uses. The requested zoning would be the only non-residential zoning in the immediate area. Staff recommends the NO (Neighborhood Office) zoning as a more suitable zoning for the subject parcels.

The Future Land Use section of the Comprehensive Plan designates the area as low-density residential. The property is in proximity to the intersection of Buffalo Gap Rd and S. 27th St, but not part of the node that exists at the intersection.

STAFF RECOMMENDATION

Staff recommends approval NO (Neighborhood Office) zoning instead of the requested NR (Neighborhood Retail) zoning.

BOARD OR COMMISSION RECOMMENDATION

The Planning and Zoning Commission recommends approval of NO zoning by a vote of 5 in favor (Bixby, McClarty, Todd, Yungblut, and Famble) and 1 opposed (Glenn).

From: Joe Tucker [mailto Sent: Friday, February 28, 2014 11:24 AM To: Reports, Planning Subject: Case #:Z-2014-08

From: Tucker, Joe C. & Patricia D. 14 Edgemont Ct.

We are opposed to rezoning the area in the above case for two reasons: (1) The retail business will increase what is at times a very heavy traffic flow. The two schools, the little league and soccer games, along with the park traffic, keep the streets busy for a residential area. there is a four way stop at Edgemont and Marshall, but traffic largely ignores it and the 30 mile speed zone. We feel strongly that and increase in traffic would not be in the best interests of the school kids that walk along that street. (2) We are part of a small subdivision that backs up to the property in question and feel that there would be a significant reduction in property values for us. This would affect the resale and property tax values for the neighborhood. Please deny the application and keep the neighborhood safer for the school kids.

Thank you, Joe & Pat Tucker
