Agenda Memo

City Council
Meeting Date: 6/26/2014

TO: Larry D. Gilley, City Manager
FROM: Jon James, AICP
Director of Planning and Development Services
SUBJECT: First reading on an ordinance for Case No. Z-2014-24, a request from Tannehill Corporate Offices, LLC, agent Judy Harris, to rezone property from HI (Heavy Industrial) to GC (General Commercial) & HC (Heavy Commercial) zoning, located at 4542 Loop 322; and setting a public hearing for July 10, 2014.

GENERAL INFORMATION

Currently the property is zoned HI and is developed with 3 separate buildings with multiple tenants in each building. The purpose of the zoning is to allow for a greater mix of uses on the property. The current zoning is restrictive and does not permit many uses that have sought to locate on the property. Specifically, a child care center was denied as the use is not allowed in the HI zoning. The surrounding area is developed generally with light industrial uses. The applicant is requesting a change to the GC & HC zoning which would allow for a greater mix of uses.

The Future Land Use section of the Comprehensive Plan designates this general area for heavy commercial/light industrial development. The requested zoning would be to specifically allow for commercial and personal service uses not allowed in the HI zoning. The area has not developed with the heavy industrial uses that were anticipated when rezoned in 1980. The requested GC & HC zoning in this location is deemed compatible with the Future Land Use Map and the adjacent uses in the area. Additionally, the frontage along Loop 322 would be more suitable for commercial development.

STAFF RECOMMENDATION

Staff recommends approval as requested.

BOARD OR COMMISSION RECOMMENDATION

The Planning and Zoning Commission recommends approval by a vote of 7 in favor (Bixby, Calk, Ellinger, Glenn, McClarty, Rosenbaum, and Famble) and none opposed.
