City Council Agenda Memo

City Council

Meeting Date: 9/25/2014

TO: Larry D. Gilley, City Manager

FROM: Jon James, AICP

Director of Planning and Development Services

SUBJECT: First reading on an ordinance for Case No. Z-2014-40, a request from Warren Harkins,

agent Jeanne Shaw, to rezone property from PD (Planned Development) to HC (Heavy Commercial) zoning, located at 3701 & 3725 W. Lake Rd; and setting a public hearing for

October 9, 2014.

GENERAL INFORMATION

Currently the property is zoned PD and is developed with multiple buildings that were previously used for oilfield services that existed on the property prior to annexation. The purpose of the zoning change request is to allow for outdoor display and rental of equipment and machinery on the property. The current zoning is restrictive and does not permit for this use. Specifically, a PD district was created to limit the uses on the property to be compatible with the adjacent residential uses. Any other uses would be required to conform to the GC (General Commercial) zoning regulations. The surrounding area is developed generally with manufactured homes to the north and east. The applicant is requesting a change to the HC zoning which would allow for the propose use.

The Future Land Use section of the Comprehensive Plan designates this general area for low density residential development. The requested zoning would be to specifically allow for outdoor display and rental of equipment and machinery not allowed in the existing PD zoning. The area has developed with manufactured homes to the north and east. The requested HC zoning in this location is deemed incompatible with the Future Land Use Map and the adjacent uses in the area.

STAFF RECOMMENDATION

Staff recommends denial.

BOARD OR COMMISSION RECOMMENDATION

The Planning and Zoning Commission recommends approval of modifying the existing PD zoning to allow for the "heavy equipment sales, rental, repair & display" use with several added regulations by a vote of 6 in favor (Bixby, Calk, Ellinger, McClarty, Rosenbaum, and Famble) and none opposed.
