

City Council  
Agenda Memo

City Council  
Meeting Date: 10/23/2014

**TO: David A. Vela, Interim City Manager**

**FROM: Jon James, AICP  
Director of Planning and Development Services**

**SUBJECT: First reading on an ordinance for Case No. Z-2014-44, a request from Caleb Ensor, to rezone property from RS-8 (Single-Family Residential) to NR (Neighborhood Retail) zoning, located at 2126 Campus Ct; and setting a public hearing for November 6, 2014.**

**GENERAL INFORMATION**

Currently the property is zoned RS-8 and is developed with a home. The surrounding area is developed generally with residential uses to the north, south, & west. The property across Campus Ct to the east is Abilene Christian University. Campus Ct is designated as a 'collector' street. The applicant is requesting the NR zoning for development of a neighborhood retail store, such as a coffee shop. Staff has concerns about the traffic that the potential uses would generate. Typically, retail zoning would be located at intersections or in nodes designated for retail/commercial activity. However being adjacent to the university, this neighborhood has a greater pedestrian population as students walk to and from school. This property is oriented toward Campus Ct. An alley separates it from the adjacent lot to the west. Additionally, there are other properties with similar uses further south on Campus Ct.

The Future Land Use section of the Comprehensive Plan designates this area as 'low-density residential'. The general area on the west side of Campus Ct is developed with single-family homes. Abilene Christian University exists to the east across Campus Ct. This area has seen some mixed-use development on properties further south.

**STAFF RECOMMENDATION**

Staff recommends approval.

**BOARD OR COMMISSION RECOMMENDATION**

The Planning and Zoning Commission recommends denial by a vote of 6 in favor (Bixby, Calk, Ellinger, McClarty, Rosenbaum, & Famble) and none opposed.

Additional Comments:

ACU is concerned that this potential rezoning will hurt the residential neighborhood due to lack of parking, increased traffic, increased noise and lighting at night. In addition, it appears that the zoning code of NR could allow a liquor store in this location, which would be undesirable.

I believe this would cause too much extra traffic, as well as take extra parking spaces. This area is already heavily Travel and home owners in that area will be overrun with too many extra cars, etc. Please consider these long time home owners + oppose this request.

The noise, business activity, and traffic would be detrimental to surrounding residences and the neighborhood. Additional Comments:

We have several concerns:  
1) The streets in our neighborhood are not suitable to handle the amount of traffic that would be generated. There is not sufficient parking space, nor is the width of the street wide enough to permit two-way traffic when cars are parked on both sides.  
2) People of all ages walk, jog and ride bikes up and down our street. The parking problems and excess traffic would pose a danger and increased potential for accidents.  
3) Our property values would decrease.  
4) This venue would generate loud music, which would be unwelcome to those who would be forced to listen to it. We ask that this request be refused.

I am going to start by saying I am opposed to the rezoning of the house at 2126 Campus Ct. to Neighborhood Retail. I am a registered voter living three houses north at 2218 Campus Ct. I am also extremely angry that I did not receive notice of the rezoning application. How would YOU feel if a bar or smoke shop type of business was zoned THREE houses from your home and you were not notified that it was going to happen. To me, this is almost criminal and typically bureaucratic. We in this neighborhood were not notified what business is being planned. Rumors are that it is a coffee shop for ACU students. There is a coffee shop three blocks south in the dorm on Campus Ct. Ambler Blvd. is three blocks north and zoned for business and Judge Ely is one block east and zoned for business. Walmart and all kinds of businesses are one mile east down Hwy. 351. I would venture to say that almost every student has a car or a friend that does. I think that if you take one house from the neighborhood for business, then more will follow. Leave the neighborhood alone for families. I am not able to attend the meeting due to the short notice of the hearing and prior commitments but my neighbors know of this e-mail and I ask that it be read into the record. Again I say that I am strongly AGAINST this rezoning.
