Agenda Memo

City Council
Meeting Date: 10/23/2014

TO: Larry D. Gilley, City Manager
FROM: Jon James, AICP
Director of Planning and Development Services
SUBJECT: First reading on an ordinance for Case No. Z-2014-46, a request from Brad Pursley, to rezone property from HI/H (Heavy Industrial/Historic Overlay) to HI (Heavy Industrial) zoning, located at 2734 S. 27th St; and setting a public hearing for November 6, 2014.

GENERAL INFORMATION

Currently the property is zoned HI and is undeveloped. The lot was recently created by a plat and was previously part of the property including the historic rock house at the corner. The surrounding area is developed generally with industrial uses to the north, south, & east. The Hendrick Home for Children exists nearby across S. Treadaway Blvd to the west. The Mrs. Baird's bakery exists nearby across Palm St to the east. The applicant is requesting that the historic overlay be removed from this lot as it does not include the historic rock house. This would allow for standard development to occur on the lot.

The Future Land Use section of the Comprehensive Plan designates this area as 'industrial' and 'commercial'. Both S. Treadaway Blvd & S. 27th St are classified as an 'enhancement corridor'. The underlying HI zoning will remain. Any future development will be required to comply with existing development regulations. The request is deemed compatible with the Future Land Use Map.

STAFF RECOMMENDATION

Staff recommends approval.

BOARD OR COMMISSION RECOMMENDATION

The Landmarks Commission recommends approval as requested by a vote of 5 in favor (Butman, Calk, McClellan, Miller, & Minter) and none opposed.

The Planning and Zoning Commission recommends approval as requested by a vote of 5 in favor (Bixby, Ellinger, McClarty, Rosenbaum, & Famble), none opposed, and 1 abstained (Calk).
