

City Council  
Agenda Memo

City Council  
Meeting Date: 1/22/2015

**TO:** David A. Vela, Interim City Manager

**FROM:** Jon James, AICP  
Director of Planning and Development Services

**SUBJECT:** First reading on an ordinance for Case No. Z-2015-03, a request from PCH Investments, agent Enprotec/Hibbs & Todd, Inc., to rezone property from AO (Agricultural Open Space) to RS-6 (Single-Family Residential) zoning, being a total of approximately 56.6 acres being a portion of 7550 Hardwick Rd & a portion of the approximately 38.9 acres to the north; and setting a public hearing for February 12, 2015.

**GENERAL INFORMATION**

Currently the property is zoned AO and is undeveloped. The surrounding area is largely undeveloped but there are residential uses to the south with 2 schools located to the south along Hardwick Rd. The purpose of the zoning is to allow for development of new single-family residential homes. A large area along Hardwick Rd is not included and includes an existing home. Additionally, the area along Hardwick Rd is within floodway and floodplain area that would be difficult to develop. Waldrop Dr is designated as a 'collector' street and would be required to be built as part of this development.

The Future Land Use section of the Comprehensive Plan designates the block as 'low density residential'. The requested RS-6 zoning is the same as the adjacent zoning to the south and is similar to the residential development in the area. The requested zoning is compatible with the Future Land Use Map and the adjacent properties.

**STAFF RECOMMENDATION**

Staff recommends approval.

**BOARD OR COMMISSION RECOMMENDATION**

The Planning and Zoning Commission recommends approval by a vote of 4 in favor (Bixby, Calk, Rosenbaum, & Famble), none opposed, and 1 abstained (Ellinger).
