Agenda Memo

City Council
Meeting Date: 7/23/2015

TO: Robert Hanna, City Manager

**FROM: Jon James, AICP
Director of Planning and Development Services**

SUBJECT: First reading on an ordinance for Case No. TC-2015-05, a request from Michael Pritchard to abandon: Bacon Dr, west of Lincoln Dr a distance of approximately 175 feet; and an east-west alley south of Bacon Dr a distance of approximately 233 feet; and setting a public hearing for August 13, 2015.

GENERAL INFORMATION

This is an unimproved section of street and alley that exists west of Lincoln Dr. The right-of-way (ROW) was dedicated with the plat for the subdivision but was never improved. The request is to abandon the street and alley west of Lincoln Dr so that the land can be combined to create a larger lot for a single-family home. There are sewer lines than are located in each of these rights-of-way. There are also other utilities that will need to remain or relocated.

The abandonment of the road and alley would not create any block or traffic issues. However, Bacon Dr does provide frontage for the large property to the west. Additionally, there is a north-south alley that extends north from Bacon Dr. The closure of Bacon Dr would eliminate the street frontage of the property to the west as well as cause a dead-end alley. There are some utilities within the street and alleys and any existing utilities will require an easement or be relocated and be the responsibility of the developer.

STAFF RECOMMENDATION

Plat Review Committee: The Plat Review Committee recommends **denial** of the requested closure of Bacon Dr. The Plat Review Committee recommends **approval** of the requested closure with the following conditions:

1. Provide appropriate drainage easements and utility easements as needed.
2. The adjacent properties must be replatted within 12 months. The replat must not create any non-conforming lots.

Staff Recommendation: Approval per the Plat Review Committee. The request would not create any block issues.

BOARD OR COMMISSION RECOMMENDATION

The Planning and Zoning Commission recommends approval of the south 1/2 of Bacon Dr (±30') and the alley by a vote of 6 in favor (Bixby, Calk, Dunnahoo, Ellinger, Rosenbaum, & McClarty) and none opposed.
