Agenda Memo

City Council
Meeting Date: 10/9/2014

TO: Larry D. Gilley, City Manager
FROM: Jon James, AICP
Director of Planning and Development Services
SUBJECT: Final reading and public hearing on an ordinance for Case No. Z-2014-37, a request from Hendrick Home for Children, agent EHT, to rezone property from AO (Agricultural Open Space) to PD (Planned Development) zoning, located at 2758 Jeanette St.

GENERAL INFORMATION

Currently the property is zoned AO and is developed with the Hendrick Home for Children campus. The children's home is proposing to expand their services with construction of an additional facility. The current zoning does not permit the expansion and thus requires a change of zoning to accommodate their desires. The surrounding area is developed generally with residential uses to the north and south, industrial uses to the east, and retail uses to the west. The applicant is requesting a change to the AO zoning to allow for the existing use and current & future expansions of their services.

The Future Land Use section of the Comprehensive Plan designates this general area for commercial/light industrial development. The requested zoning would be to specifically allow for the services provided by the children's home. The requested PD zoning will allow for continuation of the existing use and future expansion of services. The request is deemed compatible with the Future Land Use Map and the adjacent uses in the area.

STAFF RECOMMENDATION

Staff recommends approval.

BOARD OR COMMISSION RECOMMENDATION

The Planning and Zoning Commission recommends approval with the modification that no sidewalk is required along S. 24th St until site development occurs adjacent to the street by a vote of 4 in favor (Bixby, Calk, Rosenbaum, and Famble), none opposed, and 2 abstained (Ellinger & McClarty).
