ZONING CASE TC-2014-06

STAFF REPORT

APPLICANT INFORMATION:

Heavenly Rest Episcopal Church
Agent: EHT

HEARING DATES:

P & Z Commission: September 2, 2014
City Council 1st Reading: September 25, 2014
City Council 2nd Reading: October 9, 2014

REQUESTED ACTION:

Abandon Meander St from S. 6th St to S. 7th St
& the adjacent east-west alley

SITE CHARACTERISTICS:

Meander Street exists today and runs in front of the Heavenly Rest Episcopal Church between S. 6th St and S. 7th St. There is some head-in parking that comes off of Meander Street in this block. The church is requesting to abandon this section of Meander St in order to allow for expansion of their campus and to have greater flexibility in creating new parking. The east-west alley was included by the City staff in order to avoid a dead-end alley.

REQUEST ANALYSIS:

The abandonment of this section of Meander St would not create a block that is larger than the maximum block allowed, or 1,200 feet. With the closure of Meander St, traffic will still be able to maneuver various other streets in the vicinity. An alley currently connects into this section of Meander St. Only 1 home would be affected by the street closure and can be resolved with a roll-out trash can. However, continued service in that alley is recommended by the Solid Waste Services department and they opposed the alley closure. The alley also provides rear access to the home. An access easement is needed to allow for continued use of the alley. Additionally, water and sewer lines exist along the alley right-of-way. A utility easement is needed to allow for maintenance of these utilities.

RECOMMENDATIONS:

Plat Review Committee: The Plat Review Committee recommends approval of the requested closure with the following conditions:

- 1. The proponent is to be responsible for the cost of adjustment or retirement of the existing public street lights along the abandoned right-of-way.*
- 2. Provide an access easement along Meander St and the alley to connect to either S. 6th St or S. 7th St.*
- 3. Provide appropriate drainage easements and utility easements.*
- 4. Re-plat the adjacent property so that no currently platted lots are left without street frontage.*

Staff Recommendation: Approval per the Plat Review Committee. The request would not create a block that would be larger than permitted and the abandonment of Meander St would allow for expansion of the church.

PLANNING AND ZONING COMMISSION:

The Planning and Zoning Commission recommends approval of abandoning Meander Street only per the Plat Review Committee recommendation by a vote of 6 in favor (Bixby, Calk, Ellinger, McClarty, Rosenbaum, and Famble) and none opposed.

NOTIFICATION:

Property owners within the 200’ of the subject rights-of-way were notified.

Subject: 600 Block of Meander

I just want to express that my family that resides at 510 Meander St are opposed to the closure of the 600 block of Meander St.
If this section of street were to be closed it would reduce access by residents and emergency vehicles to the surrounding houses and streets.
The alternate routes from the 500 block of Meander to S 7th or Sayles Blvd would be South 6th and that is a very precarious and dangerous curve to divert all current through traffic to. When church is in session it is already unsafe to drive West on South 6th from Meander toward Sayles. Leaving Meander St open as a through street is what is safe for our neighborhood.
