

**City Council
Agenda Memo**

TO: David A. Vela, Interim City Manager

**City Council
Meeting Date: 11/06/2014**

FROM: Megan R. Santee, Director of Public Works

SUBJECT: Oral resolution authorizing Interim City Manager to negotiate with Republic Services for an Automated Curb Side Recycling Program.

GENERAL INFORMATION

Currently the City of Abilene offers seven (7) drop off recycling locations throughout the City. Under this program, the citizens bring their recyclables and sort at the facilities. Under an automated curb side recycling program, the City would contract with a private contractor to allow them to provide automated, single stream curb side recycling services to our residents. This agenda item would authorize the Interim City Manager to enter into negotiations with Republic Services. Any negotiated agreement will be brought back to Council for review and approval.

SPECIAL CONSIDERATIONS

As part of the contract negotiations, Staff will review the fiscal/budgetary impact and any required ordinance revisions to Abilene Municipal Code, Chapter 27, Solid Waste, and the potential benefits for the City and its citizens. Any necessary ordinance revisions and fiscal impacts will be presented to Council as part of the contract process.
