

City Council  
Agenda Memo

City Council  
Meeting Date: 1/8/2015

**TO: David A. Vela, Interim City Manager**  
**FROM: Jon James, AICP**  
**Director of Planning and Development Services**  
**SUBJECT: Final reading and public hearing on an ordinance for Case No. Z-2014-49(a), a request from Lisa Laird, agent Paul Johnson & Associates, Erik Johnson, to rezone property from RS-6 (Single-Family Residential) to GC (General Commercial) zoning, located at 2510 S. 14th St.**

**GENERAL INFORMATION**

Currently the property is zoned GC & RS-6 and is developed with a church. The purpose of the zoning is to allow for retail uses on the property. The surrounding area is developed generally with single-family residential uses to the north and retail uses to the east & west along S. 14<sup>th</sup> St. McMurry University exists nearby to the southeast. The applicant is requesting a change to the GC zoning which would allow for retail uses similar to those already existing along S. 14<sup>th</sup> St.

The Future Land Use section of the Comprehensive Plan designates this general area as ‘commercial’ and is near a ‘Local Community Center’ node. The S. 14<sup>th</sup> Street thoroughfare is also classified as an ‘enhancement corridor’. The requested zoning is deemed compatible with the Future Land Use Map along the S. 14<sup>th</sup> St frontage. The area to the north consists of single-family residential uses. The frontage along S. 14<sup>th</sup> St would be more suitable for retail development with the northernmost property transitioning to residential uses. Maintaining the RS-6 zoning on the northernmost property would provide the transition to single-family residential uses to the north.

**STAFF RECOMMENDATION**

Staff recommends GR (General Retail) zoning for the part currently zoned GC and keeping the northern portion of 2510 S. 14<sup>th</sup> St as RS-6. Staff could also support a PD (Planned Development) zoning on the entire property with sufficient protections for adjacent residential properties.

**BOARD OR COMMISSION RECOMMENDATION**

The Planning and Zoning Commission recommends approval of GC zoning as requested by a vote of 7 in favor (Bixby, Calk, Ellinger, Glenn, McClarty, Rosenbaum, & Famble) and none opposed.

**Subject:** Case Z-2014-49 We are opposed

November 21, 2014

To: the Planning and Zoning Commission of Abilene

My husband and I own our home at 1325 Portland. We received a notice of the public hearing to rezone the property at the end of our block. (1357, 1365 and 1373 Portland and 2510 and 2526 South 14<sup>th</sup>). We attended the public hearing and city council meeting where the property was being changed from residential to general retail and voiced our complaints. The property at 2526 South 14<sup>th</sup> along with 1365 and 1373 were changed to general retail with 1357 being left residential. We were satisfied with that.

Now Mr. Hardin is asking to change the properties to general commercial along with the church property at 2510 South 14<sup>th</sup>. We still oppose changing the property at 1357 from residential. We don't want a business so close to our home (especially since we don't know what type of business it will be.)

We will be out of town on Monday, December 1 or we would personally attend the meeting to voice our objection.

We do not understand why Mr. Hardin wants to reverse the earlier ruling to go back to GC since he received your approval to change it to GR.

You have sent out letters for approval or disapproval for this change. For fairness to all, it is our opinion that no votes from property addresses that Mr. Hardin has already purchased and the church property for the change be counted since Mr. Hardin is requesting the change and everyone knows he would not vote against it.

Mr. Hardin has already taking up your valuable time in requesting a change which he received and again taking up your valuable time to seek a reversal of this change. If Mr. Hardin still refuses to disclose the reason for the change request, we sincerely urge the P&C members refuse to allow the change. No one knows if in another six weeks Mr. Hardin will decide he wants another change if whatever he plans on doing does not come to pass.

We request that the above be submitted to each member at least five days prior to the meeting.

We are very concerned about the reduction in our property value. Our fear is that Mr. Hardin will again come back and want to close the alley between 2510 and 2526 South 14<sup>th</sup>. We have a garage opening in our alley along with several others. We definitely do not want that to happen!!

Thank you for reading about our concerns in the above matter.

Zelma and Cullen
