

City Council  
Agenda Memo

City Council  
Meeting Date: 5/14/2015

**TO:** David A. Vela, Interim City Manager

**FROM:** Jon James, AICP  
Director of Planning and Development Services

**SUBJECT:** Final reading and public hearing on an ordinance for Case No. Z-2015-10, a request from Abilene Christian University, agent Enprotec/Hibbs & Todd, Inc., to rezone property from AO (Agricultural Open Space) to CU (College & University) zoning, located at 1201 E. Ambler Ave.

**GENERAL INFORMATION**

Currently the property is zoned AO and is developed with a maintenance and operation facility for Abilene Christian University (ACU). The surrounding area is developed generally with single-family residential uses to the south. ACU owns property to the north, east & west. The purpose of the zoning is to allow for an expansion to this maintenance & operations facility. The existing AO zoning does not technically permit this uses.

The Future Land Use section of the Comprehensive Plan designates the property as part of a 'Major Commercial/Business Center' centered on the I-20 & Ambler Ave intersection. The Ambler Ave Corridor Overlay was recently approved for Ambler Ave. Ambler Ave is also designated as an 'enhancement corridor'. This area is primarily developed with the ACU campus to the west and single-family residential uses to the south. The requested zoning is deemed compatible with the Future Land Use Map and the adjacent properties.

**STAFF RECOMMENDATION**

Staff recommends approval as requested.

**BOARD OR COMMISSION RECOMMENDATION**

The Planning and Zoning Commission recommends approval by a vote of 6 in favor (Bixby, Calk, Ellinger, McClarty, Rosenbaum, & Famble) and none opposed.

Additional Comments:

*Where as it is true that one reason we bought our house was its proximity to the ACU campus, a second and equally important factor was that there were no student filled buildings or activities adjoining our property. If the zoning is allowed to change, it will not only adversely effect our peaceful neighborhood, but will have a negative impact on our property value.
