Agenda Memo

City Council  
Meeting Date: 5/14/2015

**TO: David A. Vela, Interim City Manager**

**FROM: Jon James, AICP  
Director of Planning and Development Services**

**SUBJECT: Final reading and public hearing on an ordinance for Case No. Z-2015-13, a request from Taylor Electric Coop, agent Tal Fillingim, to rezone property from GC (General Commercial), GR (General Retail), and O (Office) to PD (Planned Development) zoning, located at 7850, 7918, 7966, & 7982 S. Clack St and the 5.55 acres to the north.**

**GENERAL INFORMATION**

Currently, the majority of the property is undeveloped. An office building exists on the southern GR lot. This property exists along S. Clack St which is the western frontage road for Highway 83/84. The proposed development will be to include a main office with service yard for a public utility agency. The Skyline Estates subdivision exists to the west. Typically this type of use is not considered appropriate adjacent to residential property. However, potential issues with outside storage and parking of large vehicles are proposed to be mitigated by buffering and a screening. Additionally, the applicant has provided a concept plan for the development and the site will be required to substantially comply with the concept plan.

The Future Land Use section of the Comprehensive Plan designates this area as part of a 'Gateway/Mixed Use' area. The requested zoning will allow for the development of a main office with service yard for a public utility agency. The requested zoning is compatible with the Comprehensive Plan. The proposed PD has been created to minimize impacts on the adjacent residential uses.

**STAFF RECOMMENDATION**

Staff recommends approval as requested.

**BOARD OR COMMISSION RECOMMENDATION**

The Planning and Zoning Commission recommends approval as requested by a vote of 4 in favor (Calk, McClarty, Rosenbaum, & Famble) and 2 opposed (Bixby & Ellinger).
