# ZONING CASE TC-2015-03

## STAFF REPORT

### APPLICANT INFORMATION:

Dempsey D. Peterson and the City of Abilene

### HEARING DATES:

P & Z Commission: June 1, 2015

City Council 1<sup>st</sup> Reading: June 25, 2015

City Council 2<sup>nd</sup> Reading: July 9, 2015

### REQUESTED ACTION:

Abandon: an unimproved alley along the rear (north side) of the properties located at 2650, 2658, 2666, 2674, 2682 & 2690 Madison Ave and 2650, 2654, & 2660 Garfield Ave

### SITE CHARACTERISTICS:

This is an unimproved section of alley that exists to the rear of properties along the north side of Madison Ave & Garfield Ave. The alley right-of-way (ROW) was dedicated with the plat for the subdivision but was never improved. A few accessory buildings have been built within this alley area. The original request is to abandon the alley behind 2650 Madison Ave so that improvements may be made to an accessory building. However, the alley does not provide any service and does not connect to the adjoining streets, so staff is recommending closure of the entire alley.

### REQUEST ANALYSIS:

The abandonment of this alley would not create any block or traffic issues. There are some utilities within the alley ROW and any existing utilities will require an easement. Additionally, Cedar Creek runs just to the west. Drainage is accommodated from Madison Ave in an existing concrete drainage flume. However, if drainage is required in the alley ROW area, appropriate drainage easements may be needed.

### RECOMMENDATIONS:

**Plat Review Committee:** The Plat Review Committee recommends approval of the requested closure with the following conditions:

1. Provide appropriate drainage easements and utility easements as needed.
2. The adjacent properties must be replatted within 12 months. The replat must not create any non-conforming lots.

**Staff Recommendation:** Approval per the Plat Review Committee with the addition that an individual property owner may plat their section only rather than the entire alley at once, eliminating the 12 month limitation. The request would not create any block or traffic issues.

**PLANNING AND ZONING COMMISSION:**

The Planning and Zoning Commission recommends approval per staff recommendation by a vote of 6 in favor (Bixby, Calk, Dunnahoo, Ellinger, McClarty, and Famble) and none opposed.

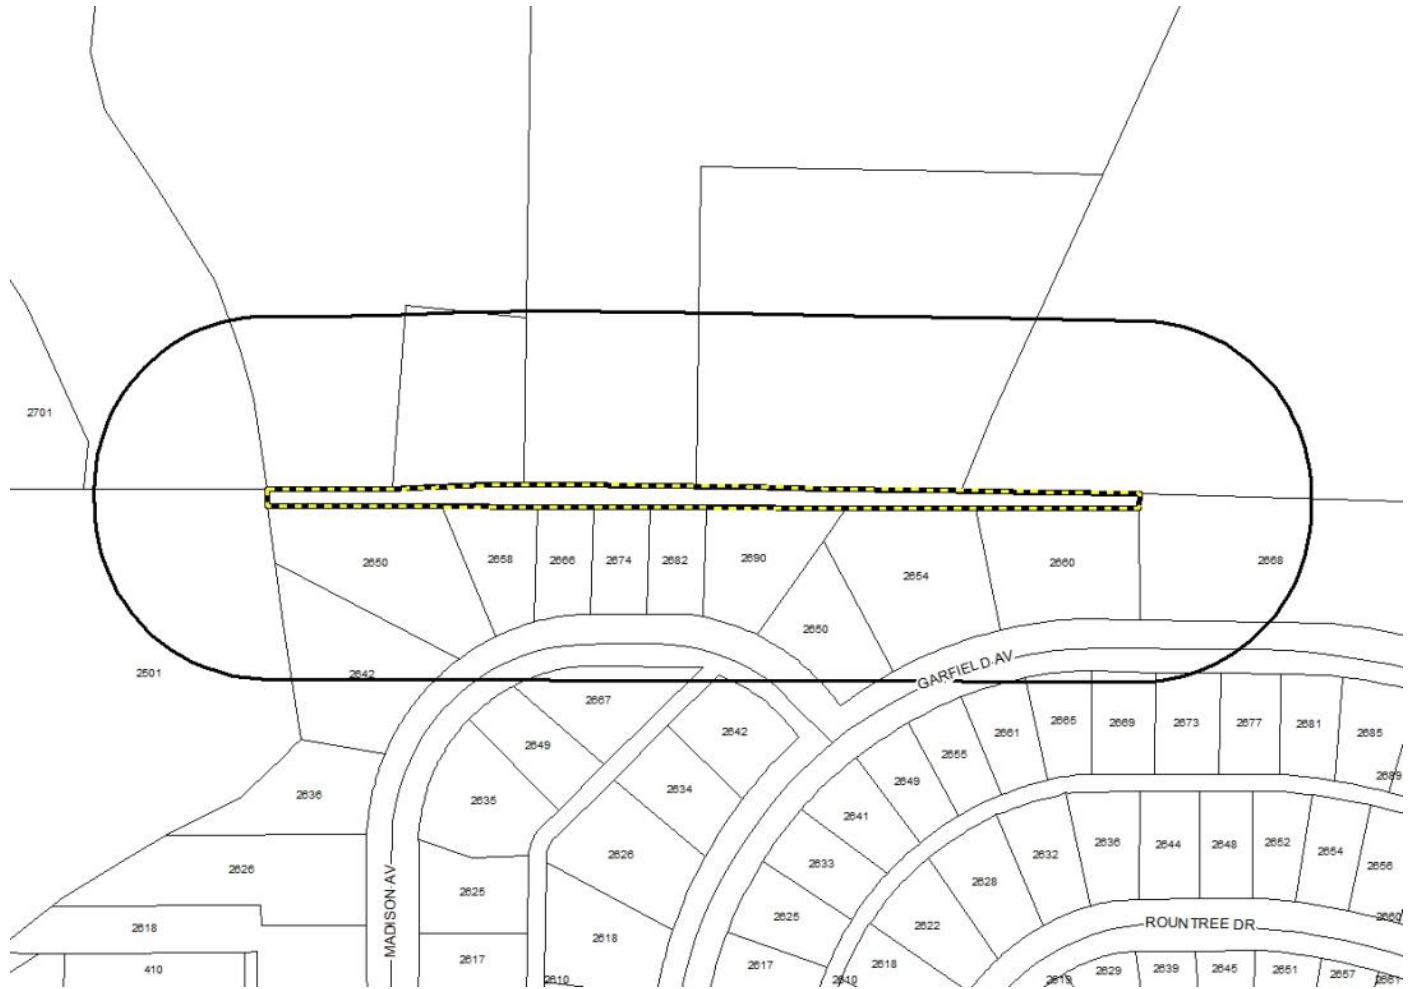

**NOTIFICATION:**

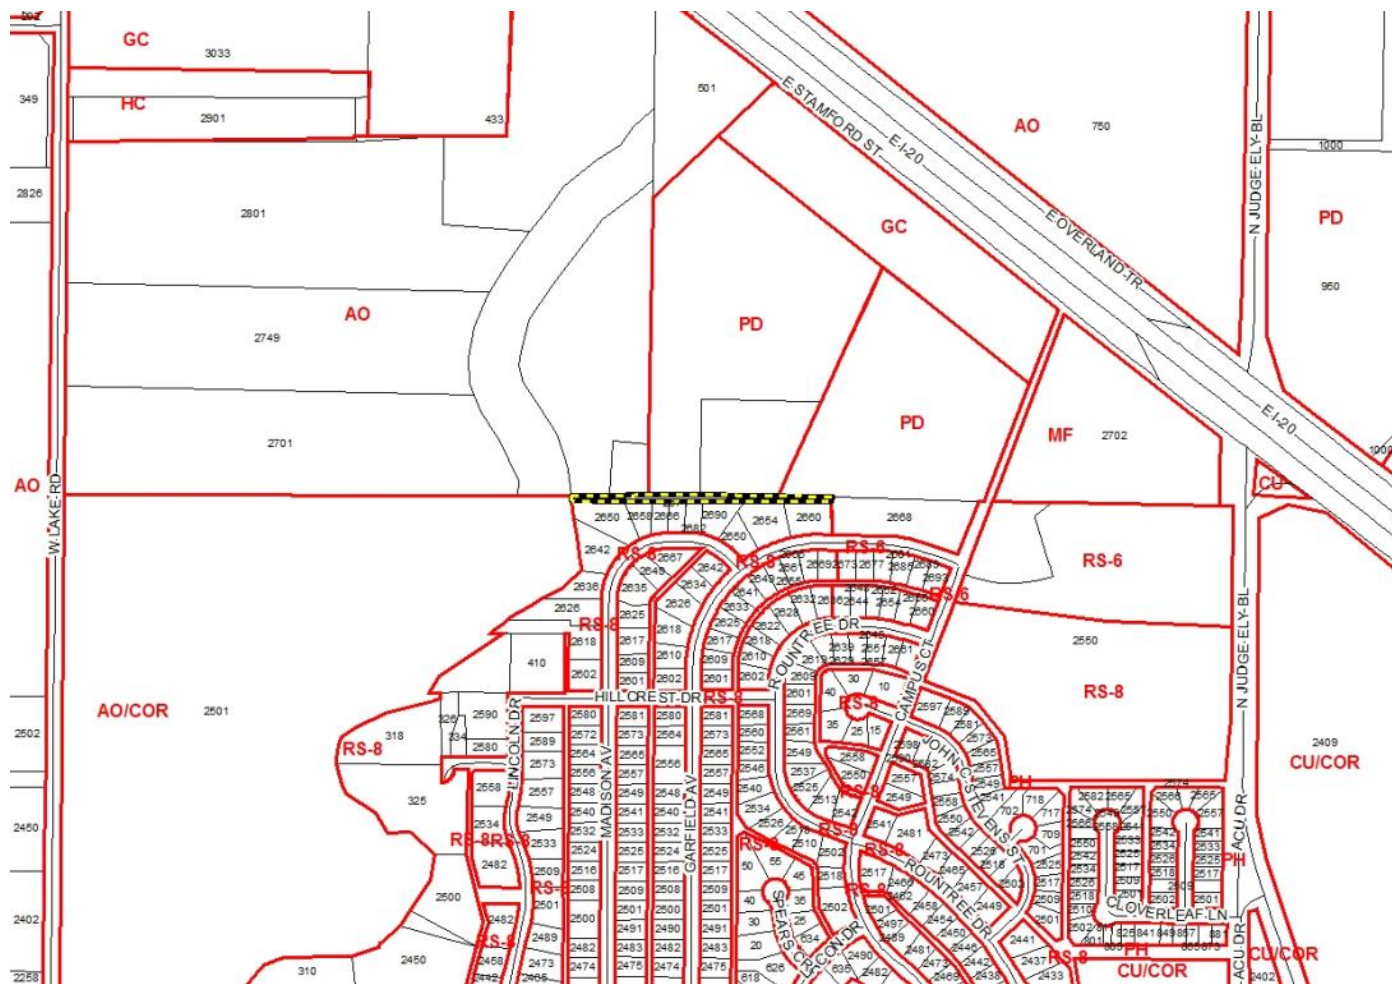

Property owners within the 200’ of the subject rights-of-way were notified.
