Agenda Memo**

**City Council Meeting Date: 8/13/2015**

**TO: Robert Hanna, City Manager**

**FROM: Jon James, AICP Director of Planning and Development Services**

**SUBJECT: Ordinance & Public Hearing: (Final Reading) Z-2015-18 A request from PAK Harris Enterprises, Ltd. to rezone property from AO (Agricultural Open Space) to GR (General Retail) zoning, being approximately 1.35 acres located directly south of 2642 E. Lake Rd. (James)**

---

**GENERAL INFORMATION**

Currently the property is undeveloped. The surrounding area is developed with the Coca-Cola bottling facility to the west and the new Golden Chick & Heff's Burgers restaurants to the north. The Lowe's exists nearby to the southwest. The purpose of the zoning is to accommodate for a new restaurant.

The Future Land Use section of the Comprehensive Plan designates this general area as 'low density residential'. The intersection of Hwy 351 with I-20 is identified as a "Major Commercial/Business Center". The City has recently adopted the Highway 351 Development Plan to help define the goals of the corridor. One of the goals of the plan includes: "Ensure the long-term economic viability of a vital retail and service hub serving this sector of the community and outlying communities." Additionally, this area was included in the concept plan for a major retail area with frontage on both I-20 and Highway 351. An initial Planned Development (PD-113) district was approved along I-20 for the Lowe's with plans to continue development to Hwy 351. Part of the initial development included the construction of E. Lake Rd south of Hwy 351. The PD zoning was intended to continue in order to maintain continuity in the development. Staff has determined that continuation of the PD zoning is the appropriate course of action.

**SPECIAL CONSIDERATIONS**

**FUNDING/FISCAL IMPACT**

**STAFF RECOMMENDATION**

Staff recommends denial as requested and approval of PD-113 zoning

**BOARD OR COMMISSION RECOMMENDATION**

The Planning and Zoning Commission recommends approval of GR zoning by a vote of 4 in favor (Calk, Dunnahoo, Ellinger, & Rosenbaum), 1 opposed (McClarty), and 1 abstained (Bixby).
