BASEMENT CONFERENCE ROOM, CITY HALL

The City Council of the City of Abilene, Texas, met in a Pre-Council Work Session on November 21, 1985, at 8:30 A.M. in the Basement Conference Room of City Hall. Mayor David Stubbeman was present and presiding with Councilman Gary D. McCaleb, Councilwoman Betty Ray, Councilmen Walter E. Wheat, A. E. Fogle, Jr., Welton Robinson and Harold Nixon. Also present were City Manager Jim C. Blagg, Assistant City Managers Roy L. McDaniel and Rickey Childers, City Attorney Harvey Cargill, Jr., City Secretary Patricia Patton and various members of the City Staff.

The Council briefly discussed various consent and regular agenda items. There being no further questions, the meeting was recessed to the City Council Chambers for the Regular Council Meeting.

REGULAR CITY COUNCIL MEETING
November 21, 1985, 9:00 A.M.

CITY COUNCIL OF THE CITY OF ABILENE, TEXAS,
CITY COUNCIL CHAMBERS OF CITY HALL

Mayor Stubbeman reconvened the City Council of the City of Abilene, Texas, into Regular Session November 21, 1985, at 9:00 a.m. in the City Council Chambers of City Hall.

Invocation was given by Councilwoman Betty Ray.

The minutes of the Pre-Council Work Session and Regular City Council Meeting held November 7, 1985, stand approved.

Mayor Stubbeman and City Manager Jim Blagg presented Certificates of Appreciation to those City employees designated as United Way Campaign Chairpersons for their work on the United Way Campaign.

Mayor Stubbeman removed from the consent agenda item 5c to be considered separately.

Councilman McCaleb moved to approve the consent agenda items being 5a and 5b, as presented by the staff. The motion was seconded by Councilman Fogle and the motion carried:

AYES: Councilman McCaleb, Councilwoman Ray, Councilmen Wheat, Fogle, Robinson, Nixon and Mayor Stubbeman.

NAYS: None.

5. Ordinances & Resolutions:

- a. Consider on first reading an ordinance amending Chapter 29, "Streets & Sidewalks," of the Abilene Municipal Code to permit use of public right-of-way as construction staging area.

AN ORDINANCE AMENDING CHAPTER 29, "STREETS AND SIDEWALKS", DIVISION 2, "PERMIT", ARTICLE VIII OF THE ABILENE MUNICIPAL CODE, BY AMENDING CERTAIN SECTIONS AS SET OUT BELOW; PROVIDING A SEVERABILITY CLAUSE; AND DECLARING A PENALTY.

- b. Oral Resolution authorizing the Mayor to sign the facility agreement with the Abilene Bicycle Motocross Association to construct and operate a BMX Facility in Kirby Park.

Mike Hall, Director of Community Services, briefed the Council on a resolution granting approval of a multi-purpose field use agreement between the City of Abilene and the Abilene Independent School District.

Councilman Nixon moved to add an amendment to the agreement in Section 5, Management and Scheduling, to add a subpart "c" to read as follows: "No competitive games shall be scheduled on Sundays before to 1:00 p.m. by the City or any participating agencies using City and Abilene Independent School District joint management facilities." The motion was seconded by Councilman Robinson and discussion followed.

The staff explained some inconsistencies with this addition to the agreement and the use of other City parks and recreational facilities used by entities on Sundays. Additionally, that there may be some conflicts when scheduling adult tournaments with teams from out of town. It is imperative to schedule these out of town teams in order for these adults to return to their homes as quickly as possible. This may be a problem when competing with other cities throughout the State in scheduling these adult games.

Councilman Fogle stated that he agreed with the philosophy expressed on scheduling games for children on Sunday mornings. He is unsure, however, if this is the appropriate way to express those concerns. He feels the offenders are not the School District nor the City, but the Soccer Association and he believes they should address this concern. He would like the Soccer Association to have the opportunity to act on this concern prior to the City and School District acting on this proposed amendment.

Councilman Fogle moved to table the item to allow the Soccer Association and Pop Warner organization to consider the concerns that have been expressed. Then bring the issue back for Council consideration when appropriate. The motion was seconded by Councilman McCaleb and the motion carried.

AYES: Councilman McCaleb, Councilwoman Ray, Councilmen Wheat, Fogle, Robinson and Mayor Stubbeman.

NAYS: Councilman Nixon.

Mike Morrison, Housing and Community Development Administrator, briefed the Council on a resolution authorizing an amendment to the contract with the Community Action Program, Inc., regarding providing a van service. Ms. Dorothy Newman, Chair of the Community Development Committee, presented the recommendation from the Community Development Committee. The Community Development Committee recommends that the Community Action Program, Inc., be authorized to utilize Community Development funds for the continued operation of the transportation service, using a van with a wheelchair lift, until such time as the City's van service program is implemented.

Councilwoman Ray moved to adopt the resolution authorizing the amendment to the contract with the Community Action Program, Inc., as recommended by the Community Development Committee and the staff. The motion was seconded by Councilman Fogle and the motion carried.

AYES: Councilman McCaleb, Councilwoman Ray, Councilmen Wheat, Fogle, Robinson, Nixon and Mayor Stubbeman.

NAYS: None.

The resolution is numbered 110-1985 and is captioned as follows:

A RESOLUTION OF THE CITY COUNCIL OF ABILENE, TEXAS, APPROVING THE AMENDMENT OF THE CONTRACT WITH THE COMMUNITY ACTION PROGRAM, INC.

Reverend T. C. Melton, Chairman of the Citizens' Advisory Committee, disseminated to the Council the report from the Citizens' Advisory Committee on Capital Improvements, dated November 12, 1985. Chairman Melton introduced each of the Chairpersons of the Subcommittees to give their detailed reports to the Council. Funding sources are included in Exhibit I of the report and include the use of bond funds in the amount of approximately \$23,000,000; Community Development funds of approximately \$870,000; and annual operating budget funds of approximately \$928,000. A summary of each report, showing the total cost of projects, by Subcommittee, is as follows:

Subcommittee on Community & Municipal Facilities - Chairman C. G. Whitten - Total \$7,625,000.

Subcommittee on Public Works & Transportation - Chairwoman Amber Cree - Total \$6,380,000.

Subcommittee on Water & Sewer Utilities - Chairman Dave Brumbeau - Total \$6,080,000.

Subcommittee on Public Safety - Chairman Allen Donald - Total \$4,758,000.

Assistant City Manager Roy McDaniel briefed the Council on the financial plan, recommended by the Steering Committee, and as shown on Exhibit III in the report from the Citizens' Advisory Committee.

Chairman Melton expressed his appreciation to each Subcommittee Chairperson, each Committee member, and to the staff for their diligent work during the Committee and Subcommittee meetings.

Sharon Streeter, citizen, spoke to the Council regarding the report and stated that 40% to 45% of Community Development funds will be used on capital improvement projects. Additionally, she stated that in her opinion the Citizens' Advisory Committee is an atrocity.

Mayor Stubbeman thanked the Citizens' Advisory Committee for all the time and effort given in the development of the report. The Council will take the report under consideration and take appropriate action at a later date.

Director of Public Works, Bob Whitehead, introduced Kathy Martin, Coordinator of the Abilene Clean and Proud, who briefed the Council on the presentation of the By-Laws for the Abilene Clean and Proud Committee and gave a Program Status Report. At this time the By-Laws are presented for Council review. It is anticipated that the Committee will receive its non-profit status, articles of incorporation and finalize the By-Laws during the first quarter of 1986. At that time, the Committee will return to the Council to seek approval of the By-Laws.

Kathy Martin introduced Mr. Jim McCurdy, Chairman of the Abilene Clean and Proud, who continued the report unveiling the Committee's logo which is "Clean Up Your Act". He continued the briefing by showing a slide presentation that will be used in the promotion of the the Keep America Beautiful program. No action was necessary at this time.

John Hancock, Principal Planner, briefed the Council on an ordinance closing a thoroughfare, being TC-08285 - request from David Todd, (representing Dawn Development Company), for a thoroughfare abandonment being a 20' wide north-south alley 400' in length, and a 24' wide north-south alley 481' in length, located between South 14th & Hartford Streets. The Planning and Zoning Commission recommended denial of the case. The staff recommends approval, subject to the retention of a drainage and utility easement over the original 20-foot alley dedication from South 14th Street to Hartford Street. This is an appealed item to the City Council.

Mayor Stubbeman opened a public hearing for the purpose of considering the aforementioned item and the following persons spoke either in favor of or in opposition to the item.

IN FAVOR:

David Todd, agent for Dawn Development Company. He gave a brief history on item and the philosophy behind the use of the alley as a drainage easement in relation to the City's present drainage standards and requirements.

John Stockton, City Engineer, presented his report to the Council on the request of this alley closure with a retainment of use as a drainage and utility easement. He stated that he was not present at the Planning and Zoning Commission to give this report and, therefore, the Commission voted on the only facts before them.

Jim Gisser, Dawn Development Company, stated that negotiations with the City on this project have been ensuing since June, 1985. He feels they have been dealing in good faith with the City since that time anticipating that what they were asked to do would be acceptable to the City. He understood this case would help alleviate some the flooding problems for the entire area.

IN OPPOSITION:

Bob Servick, representing Abilene Radio & Television (KRBC). He is concerned with the impact this case has on his company. He gave some history on the development of his company's property and the purpose for the original alley being in place. He feels if the alley is abandoned, that KRBC should be able to keep their share of the property that they originally dedicated to be used as an alley. Additionally, that he did not have the benefit of any conversation that ensued on the abandonment of this alley or the future use of the alley.

There being no one else present and desiring to be heard, Mayor Stubbeman closed the public hearing.

Jonathan Graham, First Assistant City Attorney, explained the City's policy when abandoning a thoroughfare, in that the property reverts back to the property owners, with any easements the City may retain.

Dale Scoggins, Chairman of the Planning and Zoning Commission, explained what occurred on the case during the Commission meeting. He stated that when the case was presented to the Commission, the proponents spoke in favor and the City planning staff gave a favorable recommendation. Mr. Servick presented his case to the Commission. The discussion of continued public interest and the utilization of the alley was never brought to their attention. Therefore, the Commission voted on the facts of the case as they were presented. Apparently, subsequent to the vote, some new facts have come to the surface that the Commission did not have the benefit of.

Councilman Fogle stated that since the two property owners have not communicated on this subject, he feels the Council would be premature in acting on the item. Councilman Fogle moved to refer the item back to the Planning and Zoning Commission to reconsider the case based upon the new information from the City Engineer. Councilman McCaleb seconded the motion and the motion carried.

AYES: Councilman McCaleb, Councilwoman Ray, Councilmen Wheat, Fogle, Robinson, Nixon and Mayor Stubbeman.

NAYS: None.

John Hancock, Principal Planner, briefed the Council on TC-08485 - request from Ray Scott, (representing Abilene Christian Schools), for a thoroughfare abandonment being a 20' wide alley, located east of Campus Court. Both the Planning and Zoning Commission and City staff recommend approval subject to a replatting of this subdivision and the provision of a utility easement to cover the six inch water line in Garfield Avenue.

Mayor Stubbeman opened a public hearing for the purpose of considering the aforementioned item and the following person spoke in favor of the item.

IN FAVOR:

Ray Scott, agent for Abilene Christian Schools.

There being no one else present and desiring to be heard, the public hearing was closed.

Councilman Wheat moved to approve TC-08485 on second and final reading, as presented by the staff. The motion was seconded by Councilman Fogle and the motion carried.

AYES: Councilwoman Ray, Councilmen Wheat, Fogle, Robinson, Nixon and Mayor Stubbeman.

NAYS: None.

ABSTAIN: Councilman McCaleb.

The ordinance is numbered 81-1985 and is captioned as follows:

AN ORDINANCE PROVIDING FOR THE ABANDONMENT OF A PORTION OF PUBLIC RIGHT OF WAY; PROVIDING FOR THE TERMS AND CONDITIONS OF SUCH ABANDONMENT, AND CALLING A PUBLIC HEARING.

Wayne Herrington, Senior Planner, briefed the Council on an ordinance amending Section 23-306.4 of the Zoning Ordinance permitting retail trade of office supplies and equipment in Limited Commercial (LC) districts. Both the Planning and Zoning Commission and the staff recommend approval.

Mayor Stubbeman opened a public hearing for the purpose of considering the aforementioned item and there being no one present and desiring to be heard, the public hearing was closed.

Councilwoman Ray moved approval of the zoning ordinance amendment, on second and final reading, as presented by the staff. The motion was seconded by Councilman Wheat and the motion carried.

AYES: Councilman McCaleb, Councilwoman Ray, Councilmen Wheat, Fogle, Robinson, Nixon and Mayor Stubbeman.

NAYS: None.

The ordinance is numbered 82-1985 and is captioned as follows:

AN ORDINANCE AMENDING CHAPTER 23, "PLANNING AND COMMUNITY DEVELOPMENT," SUBPART E, "ZONING," OF THE ABILENE MUNICIPAL CODE, BY AMENDING CERTAIN SECTIONS AS SET OUT BELOW; PROVIDING A SEVERABILITY CLAUSE; DECLARING A PENALTY AND CALLING A PUBLIC HEARING.

Dale Scoggins, Chairman of the Planning and Zoning Commission, briefed the Council on the proposed ordinance adopting new sign regulations. He introduced Mr. Gary Pullin, Chairman of the Subcommittee on Sign Regulations, who reviewed the ordinance in detail with the Council.

Mayor Stubbeman opened a public hearing for the purpose of considering the aforementioned item and the following persons spoke either in favor of or in opposition to the ordinance.

Steve Ellinger, 3201 South 23rd Street, spoke in favor of the ordinance.

Doug Adams, Skinny's convenience stores, spoke against the ordinance. He feels the current restrictions on portable signs are sufficient if enforced. However, if the Council approves the ordinance, he asked that the effective date be changed to allow for more time to come into compliance with the ordinance.

Charles McClure, III, property owner, spoke in favor of the ordinance.

Marvin Smith, business owner, presented a list of 34 business owners that are opposed to various sections in the ordinance due to the negative affects it would have on their business. He, too, feels the current restrictions on portable signs are sufficient if enforced.

Larry Smith, Manager Smitty's Auto Supply, spoke in opposition to the ordinance.

Roy Parsons, business owner, spoke in opposition to the ordinance.

There being no one else present and desiring to speak, Mayor Stubbeman closed the public hearing.

Dale Scoggins made some closing statements on the proposed ordinance and thanked the Subcommittee on Sign Regulations for all their work. He feels that the new sign ordinance will significantly improve the regulation of signs in Abilene.

Gary Pullin also made some closing statements on the ordinance and presented the Council with a copy of an ordinance, still in effect, that states that portable signs are not allowed in any public place in Abilene. He feels that the proposed ordinance is equitable and represents, what the committee believes to be in, the best interest of all the citizens of Abilene.

Council discussion followed. Councilman Nixon moved to amend the ordinance by deleting Sections 23-171 (A)(1) and (2) and the second paragraph only of (8). The motion failed for lack of a second.

Councilwoman Ray moved to adopt the ordinance, as presented, but to be effective February 1, 1986, with the understanding that revisions can be made to the ordinance prior to that time, with the approval of the Council. The motion was seconded by Councilman Fogle and the motion carried.

AYES: Councilman McCaleb, Councilwoman Ray, Councilman Fogle and Mayor Stubbeman.

NAYS: Councilmen Wheat, Robinson and Nixon.

The ordinance is numbered 83-1985 and is captioned as follows:

AN ORDINANCE REPEALING CHAPTER 23, "PLANNING AND COMMUNITY DEVELOPMENT," SUBPART C, "SIGNS AND BILLBOARDS" AND SUBPART E, "ZONING," SECTION 23-314, "SIGN REGULATIONS," OF THE ABILENE MUNICIPAL CODE; AND ADOPTING NEW SIGN REGULATIONS AS PROVIDED HEREIN; PROVIDING A SEVERABILITY CLAUSE; DECLARING A PENALTY AND CALLING A PUBLIC HEARING.

City Manager Jim Blagg, introduced Barbara Holt, Police Department non-civil service employee, who briefed the Council on an oral resolution accepting a proposal for the conduction of the pay and classification study. The City employees' committee recommends that the Council accept the proposal of Ralph Anderson and Associates to conduct the pay and classification study.

Councilman McCaleb moved to accept the proposal of Ralph Anderson and Associates and to authorize the City Manager to sign the appropriate documents for the pay and classification study. The motion was seconded by Councilman Wheat and the motion carried.

AYES: Councilman McCaleb, Councilwoman Ray, Councilmen Wheat, Fogle and Mayor Stubbeman.

NAYS: Councilmen Robinson and Nixon.
