Ordinance # 13-1994

ABILENE CODE

DIVISION 3. ELECTRICAL CODE

Sec. 8-496. Adopted.

The National Electrical Code, 1993 Edition, published by the National Fire Protection Association together with standards of the National Electrical Manufacturers Association and the American National Standards Institute, is hereby enacted and adopted by reference, as amended, as the electrical code of the city, and the same is hereby incorporated herein. Copies of the code are on file, in the office of the city secretary and the building official.

Sec. 8-497. Amendments.

The electrical code adopted by the provisions of this article has been amended by the city, such amendments being on file with the code in the office of the city secretary and the building official. These amendments, together with the 1993 National Electrical Code, comprise the electrical code for the City of Abilene, Texas. In the event of any conflict between the code and these amendments, the stricter provision shall apply.
