For the purpose of this chapter, the words and phrases listed below shall have the following meanings:

*Emergency pre-hospital care.* Care provided to the sick or injured either on the scene or during emergency transport to an emergency room at a hospital or a facility providing emergency medical care.

**Emergency medical service (EMS).** The provision of basic or advanced life support and transportation of patients to an emergency room of a hospital for emergency pre-hospital care.

**First Responder.** Members of the Abilene Fire Department who are assigned responsibility for responding to calls received from the City of Abilene's 911 Dispatch Center for emergency medical service in cooperation with the City's EMS Provider.

**Non-emergency ambulance transfer service.** The operation of a service to transport patients for non-emergency, previously scheduled, medical treatment from a point originating and terminating within the City limits. The transport of a patient for unscheduled medical treatment or evaluation at an emergency room at a hospital or a facility providing emergency medical care is not a non-emergency ambulance transfer service, but rather is the provision of EMS.

**Originates.** For purposes of this chapter, a call for EMS services "originates" within the City limits if the person in need of EMS service (emergency pre-hospital care or emergency ambulance transfer service) is physically located at an address within the city limits.

## **ARTICLE II. EMERGENCY MEDICAL SERVICE (EMS)**

### **Sec. 5-2. Use of emergency and transfer service.**

All calls for EMS that originate within the city limits of the City shall be directed to the City of Abilene's 9-1-1 Communication Center and responded to solely by the City of Abilene First Responders and the City's contracted EMS provider, except as provided herein.

### **Sec. 5-3. EMS and Non-emergency Ambulance Transfer Service**

It shall be unlawful for any person or service to furnish, operate, advertise or otherwise engage or profess to be engaged in the service or operation of EMS or Non-emergency Ambulance Transfer Service that originates at an address within the City unless said person or entity is:

- (b) transporting a patient who is picked up from a location beyond the limits of the city and transported to a location within the city; or

- (c) transporting a patient who is picked up from a location beyond the limits of the city and transported to a location beyond the limits of the city and only incidentally passing through the city; or
- (d) transporting a patient who is picked up from a location within the city limits and transported to a location beyond the limits of the city; or
- (e) operated by an agent or employee of the federal or state government if such service is done in performance of his official duties.

#### **Sec. 5-4. Provision of EMS and First Responder Services**

#### **Sec. 5.5. Stand-By and Special Events Coverage**

EMS or Non-emergency Ambulance Transfer Service shall not include any stand-by or special events coverage within the limits of the City, but only if said stand-by or special events coverage does not result in any patient transfer with the limits of the City. If any stand-by or special events coverage results in patient transfer within the limits of the City, it is considered EMS or Non-emergency Ambulance Transfer Service for purposes of this Ordinance and regulated herein.

Upon request by law enforcement and fire department officers, the EMS Provider shall furnish ambulance stand-by coverage at emergency incidents involving a potential danger to the personnel of the requesting agency or the general public.

#### **Sec. 5-6 – Sec. 5-9 Reserved**

The compensation provided for in this section shall be in lieu of any other fees or charges imposed by any other ordinance now or hereinafter in force during the life hereof, but shall not release the franchise holder from the payment of ad valorem taxes levied, or to be levied, on property it owns. It shall be the duty of a franchise holder to file with the Director of Finance a sworn statement for each calendar quarter showing the total amount billed for service within the City for the preceding three (3) months which statement shall be filed within ten (10) days following the end of the third month.

The City Council hereby expressly reserves the right, power, and authority under any franchise granted, to review the charges for the services of the franchise holder to its customers, fully reserving to the City Council all the rights, powers, privileges, and immunities, subject to the duties, limitations and responsibilities which the Constitution, the laws of the State, and the Charter confer upon the City.
