LEASE AGREEMENT

THE STATE OF TEXAS |
 |
COUNTY OF TAYLOR |

FOR AND IN CONSIDERATION of the mutual covenants and conditions herein contained, the CITY OF ABILENE, a Municipal Corporation, situated in Taylor and Jones Counties, Texas, hereinafter referred to as "Lessor", does hereby lease and let unto the WEST CENTRAL TEXAS COUNCIL OF GOVERNMENTS, an Association of Governmental Entities of the West Central Texas area, hereinafter referred to as "Lessee", one certain ¹⁹⁶⁰1968 CHEVROLET Plymouth Four Door Sedan Automobile, Serial Number 1S469SR159190, for a term of one (1) year from July 1, 1968,

under the following terms and conditions:

I.

As rental for such automobile, Lessee agrees to pay to Lessor, at its offices in Taylor County, Texas, EIGHT CENTS (8.00) ^{Same} per mile of operation of such automobile. Lessee shall render to the Accounting Department of Lessor a monthly accounting of the actual miles such automobile is operated, and make payment to Lessor, at such rate, on or before the tenth day of each next succeeding month of operation.

II.

Lessee shall be entitled to possession of such automobile, together with the unrestricted usage thereof during the term of this lease, so long as such rental

is currently paid. Failure to pay such rental, as provided for herein, shall authorize Lessor, at its option, to take immediate possession of such automobile.

III.

Lessor covenants and agrees to maintain such automobile in proper condition, normal wear and tear excepted, and to make all necessary repairs thereto. Lessor shall repair any and all damage to said automobile beyond normal wear and tear, and furnish fuel, oil and other supplies necessary for the operation of such automobile.

IV.

This Lease Agreement shall be renewable on a year to year basis, unless either party notifies the other party to the contrary, in writing, no later than thirty (30) days prior to the termination of the then current lease year, under the same terms and conditions herein provided, and at the rate to be determined in accordance with this section. At the end of each lease year, the actual rate per mile of operation for such automobile, based on the actual cost of fuel, oil, supplies, operation, repair and maintenance of same, plus depreciation as taken from the records maintained by Lessor's Accounting Department, shall be determined, and such actual cost per mile of operation shall serve as the rental rate per mile for the ensuing year.

Provided, however, that upon termination of this Lease Agreement, for any reason, either Lessee shall pay, or Lessor shall rebate, the amount necessary to adjust the per mileage rate to reflect the actual cost of operating said automobile, and depreciation thereof, based on all fuel, oil, supplies, other operational costs, repairs made, cost of automobile at the time of purchase, and value of

automobile at the time of termination, together with all other expenses incurred by Lessor in connection with said automobile during the effective time of this Lease Agreement. For purposes of this paragraph, the term "value of automobile at the time of termination" shall mean such value as may be agreed to by Lessor and Lessee, or, if such parties are unable to agree thereon, it shall mean the amount received by Lessor from any bona fide sale of such automobile, or, if Lessor chooses not to sell such automobile upon termination, it shall mean the highest bona fide offer received by Lessor to purchase same.

V.

Lessee agrees to save and hold Lessor harmless, and shall indemnify Lessor from any and all liability, of whatsoever nature, resulting from the usage and operation of such automobile. [Liability insurance shall be maintained by Lessee, covering all operations of such automobile, in amounts of not less than Ten Thousand Dollars (\$10,000.00) per person; Twenty Thousand Dollars (\$20,000.00) per accident for personal injury, and Five Thousand Dollars (\$5,000.00) per accident for property damage.

EXECUTED this 23rd day of May, A. D., 1968.
