

RESOLUTION NO. 18-1989

**A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ABILENE, TEXAS AFFIRMING THE CITY OF ABILENE'S SUPPORT OF A REGIONAL WATER SUPPLY STUDY.**

WHEREAS, the City of Abilene ("City") continuously strives to make adequate plans for the future;

WHEREAS, the City has contracted with West Central Texas Municipal Water District ("District") for raw water service and other mutually beneficial obligations;

WHEREAS, The City has further contracted with the District for support in development of Stacy Reservoir as a future water supply;

WHEREAS, the District has been offered a grant ("Grant") from Texas Water Development Board ("Board") to conduct a regional water supply study ("Study");

WHEREAS, the Study will specifically evaluate options and opportunities relevant to the City's development of Stacy Reservoir water supply and other important water resources issues;

WHEREAS, the Fiscal Year 1988-89 operating budgets of both the City and the District foresaw the possibility of the Study by providing adequate funding for each entity's respective share of costs as described in the grant; and

WHEREAS, the Board is currently requesting reassurance from the District that funding and information by the City will be provided as described in the grant offer from the Board and the budgets of the City and District; now therefore,

**BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ABILENE, TEXAS:**

Part 1: Certain information will be provided by City staff in support of the study;

Part 2: The District is encouraged to pursue the Study with due diligence; and

Part 3: The intermediate and final results of the Study shall be presented to Abilene at appropriate times including (but not limited to) a Draft Report, a Public Hearing, and a Final Report.

ADOPTED by the City Council of the City of Abilene, Texas, this 27 day of April, A.D. 1989.
