EXHIBIT "A"

**TAX ABATEMENT POLICY
FOR THE CITY OF ABILENE, TEXAS**

The following establishes guidelines and criteria as adopted by the City Council of the City of Abilene, in accordance with Tex. Tax Code Ann. §312.001 et. seq., otherwise known as the Property Redevelopment and Tax Abatement Act (Act), governing tax abatement agreements. Nothing herein shall imply or suggest that the City of Abilene is under any obligation to provide tax abatement to any applicant. All applications will be considered on a case-by-case basis.

GUIDELINES:

1. Tax abatement benefits may be made available to industrial, manufacturing, distribution, retail (only if located in an Enterprise Zone), and service facilities currently in Abilene or locating in Abilene. Tax abatement will not be offered to businesses relocating from a community within the jurisdiction of the participating taxing units if the community executes a reciprocal agreement with the City of Abilene.
2. Tax abatement may be made available for new facilities and structures as well as for the expansion or modernization of existing facilities and structures.
3. Tax abatement may only be granted for the additional value of eligible property improvements made subsequent to and specified in an abatement agreement between the City and the property owner or lessee subject to such limitations as the City may require. The additional value must exceed any reduction in the fair market value of other eligible property of the owner located within the jurisdiction of the City. Change in appraised value does not qualify for abatement except in the instance where a previously vacant facility is utilized. Value added to the tax rolls must come from actual capital expenditures.
4. Eligible property for which abatement may be granted includes non-residential real property and tangible personal property located on the real property other than that personal property that was located on the real property at any time before the abatement contract becomes effective. Excluded from eligible personal property is inventory or supplies. Real property tax abatement may be granted only to the extent that its value for each year of the agreement exceeds its value for the year in which the agreement is executed.

5. A tax abatement agreement may not be executed unless the area for which tax abatement is requested meets the criteria for designation as a tax abatement reinvestment zone as set forth in the Act. The City Council may adopt an ordinance designating a tax abatement reinvestment zone only after a public hearing has been held, and notice of the public hearing has been posted at least seven (7) days before the date of the hearing. Any designated tax abatement reinvestment zone shall expire five (5) years from date of designation and may be renewed for periods not to exceed five years. The expiration of the designation does not affect an existing tax abatement agreement made in accordance with this policy.
6. No tax abatement agreement shall exceed a term of ten (10) years from the date of execution.
7. All tax abatement applicants shall submit an application to the City of Abilene. A committee composed of one (1) member each from the City of Abilene, Taylor County, Wylie ISD, Abilene ISD, and any other taxing unit affected by the specific application being considered shall be formed to recommend the adoption or rejection of all applications. The City Manager or his designee shall serve as staff to the committee. In determining where and how tax abatement will be utilized, the committee will examine the potential return on public's investment. Return on public investment will be measured in terms of net jobs created, jobs retained, broadening of the tax base, and expansion of the economic base.
8. Individual taxing units governing a reinvestment zone may choose to grant tax abatement to an owner or lessee, but according to state law, the terms of the agreements must be identical to the agreement already executed by the City.
9. At any time before expiration, any tax abatement agreement may be terminated by mutual consent of all parties involved in the same manner that the agreement was approved and executed.

CRITERIA:

1. A tax abatement agreement must:
 - a. list the kind, number, and location of all proposed improvements to the property,

- b. provide for City employees to have access and authority to conduct inspections of the eligible property to ensure that the improvements or repairs are made in accordance with the agreement,
 - c. limit the uses of the eligible property to remain consistent with encouraging development or redevelopment of the tax abatement reinvestment zone during the term of the tax abatement agreement,
 - d. provide for recapturing of property tax revenue lost as a result of the agreement if the owner or lessee of the eligible property fails to make the improvements or repairs as provided by the agreement.
2. The owner or lessee of eligible property requesting tax abatement within a tax abatement reinvestment zone shall, prior to the commencement of eligible property improvements, agree to expend a designated sum of money and provide a certain number of jobs as further defined below.

RETAIL BUSINESSES

Tax abatement may be made available only to those retail businesses which are located within either Abilene's West Enterprise Zone or Abilene's East Enterprise Zone if:

- 1. the business is or shall become certified as a "qualified business" as defined in The Texas Enterprise Zone Act,
- 2. a minimum capital expenditure of \$100,000 is made on eligible property improvements,
- 3. at least 50 full-time, permanent jobs are created during the time period as negotiated in the tax abatement agreement.

If the above criteria is met, tax abatement will be as follows:

Min. capital expenditure of \$100,000 and min. 50 jobs created	25% abatement	years 1-5
	15% abatement	years 6-10
Min. capital expenditure of \$500,000 and min. 100 jobs created	50% abatement	years 1-5
	25% abatement	years 6-10

INDUSTRIAL, MANUFACTURING, DISTRIBUTION & SERVICE BUSINESSES

Tax abatement may be made available to industrial, manufacturing, distribution and service businesses located anywhere within Abilene's city limits or ETJ based on the following:

Min. capital expenditure of \$100,000 and min. 10 jobs created	25% abatement	years 1-5
	15% abatement	years 6-10
Min. capital expenditure of \$500,000 and min. 25 jobs created	50% abatement	years 1-5
	25% abatement	years 6-10
Min. capital expenditure of \$1,000,000 and min. 50 jobs created	75% abatement	years 1-5
	37.5% abatement	years 6-10
Min. capital expenditure of \$5,000,000 and min. 100 jobs created	100% abatement	years 1-5
	50% abatement	years 6-10

If a business is located or will locate within one of Abilene's two (2) Enterprise Zones, an additional 5-10% abatement may be available, as individually negotiated, with total abatement not to exceed 100%.
