

RESOLUTION NO. 29-1992

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF ABILENE, TEXAS, AWARDING A CONTRACT FOR THE IMPROVEMENT OF CERTAIN NAMED STREETS WITHIN THE CORPORATE LIMITS OF THE CITY OF ABILENE, TEXAS, CONTINGENT UPON A SUFFICIENT ASSESSMENT BEING LEVIED AGAINST ABUTTING PROPERTIES TO FINANCE SAID PROPOSED IMPROVEMENTS; AND APPROPRIATING FUNDS FOR THE CITY OF ABILENE'S PORTION OF SUCH ESTIMATED COSTS.

WHEREAS, by Resolution No. 34-1990 adopted on September 13, 1990, the City Council authorized the preparation of plans and specifications for the improvement of the streets listed in the attached Exhibit A; and,

WHEREAS, the City of Abilene has heretofore duly advertised for competitive, sealed bids for the construction of certain improvements on the above named streets in the City of Abilene, Texas, and, on the 26th day of May, 1992, said bids were received and read, as shown in attached Exhibit B; and,

WHEREAS, it is the opinion of the City Council that it is in the best interest of the public welfare of the City of Abilene to award a contract to the lowest, responsible bidder; contingent, however, upon a sufficient assessment being levied against abutting property owners, which, in the opinion of the City Council, will enable the City of Abilene to finance said improvements; and,

WHEREAS, the City Engineer of the City of Abilene, Texas, at the direction of the City Council, has proposed an assessment roll against abutting property owners of said streets, or portions thereof, which does not exceed nine-tenths (9/10ths) of the estimated cost of such improvements, exclusive of curbs, gutters, and sidewalks, and it is the opinion of the City Council that said estimate of costs should be approved, and that the proposed assessments are just, equitable and reasonable, and, in all respects, meet the requirements of law; and that a public hearing has been called to consider the proposed assessments and to consider an ordinance levying said proposed assessments against the abutting property owners; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ABILENE, TEXAS:

PART 1: That the bid of Bontke Brothers Construction for Base Bid plus Alternate #1, being the lowest, responsible bid, be, and the same is hereby, accepted, and said firm is hereby awarded a contract, to be prepared by the City Attorney, for the construction of said improvements; said acceptance and award, however, being contingent upon a sufficient assessment being levied against abutting property owners along said above named streets, which in the opinion of the City Council, would enable the City of Abilene to finance said improvements.

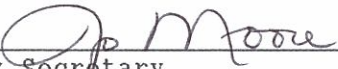

PART 2: That the sum of Two Hundred Thirty-Two Thousand Six Hundred Fifty-Six Dollars and 30/100ths (\$232,656.30), which includes the amount of such bid and all engineering expenses to be incurred by the City of Abilene in connection with such project, be, and the same is hereby, appropriated from Street Improvement Bond Funds for the City of Abilene's portion of such estimated costs.
