

A RESOLUTION RELATIVE TO USER FEE SCHEDULE OF THE CITY OF ABILENE.

WHEREAS, the Airport Landing Fee Schedule currently does not provide an exemption of landing fees for non-scheduled commercial aircraft that arrive at the Abilene Regional Airport for the specific purpose of maintenance, repairing, modification, or testing of aircraft,

BE IT RESOLVED BY THE CITY OF ABILENE:

That the Public Works Section of the User Fee Schedule of the City of Abilene be revised to read as follows:

NON-SCHEDULED COMMERCIAL AIRCRAFT:

"Non-scheduled commercial carriers and/or charter flights shall be charged a landing fee computed at the rate of thirty-five cents (\$0.35) per one thousand (1,000) pounds of the certified gross landing weight of the aircraft used; provided, that no fees shall be levied against any such flight where the gross landing weight of the aircraft is twelve thousand five hundred (12,500) pounds or less. Such charge shall be paid immediately to the airport manager at the municipal airport upon the landing of such aircraft under such procedures as may be established by the airport manager.

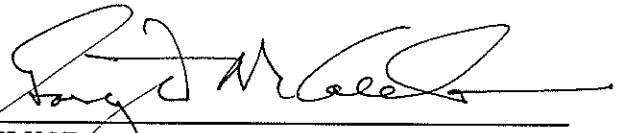

Aircraft that arrive at the Abilene Regional Airport for the specific purpose of maintenance, repairing, modification, or testing shall be exempt from landing fees; however, these aircraft shall pay a fuel flowage fee for fuel that is dispensed into the aircraft."

ADOPTED this 23rd day of June, A.D., 1994.
