

RESOLUTION NO. 21-2000

A RESOLUTION OF THE CITY OF ABILENE, TEXAS, REVISING THE SCHEDULE OF RATES AND CHARGES FOR REFUSE COLLECTION DIVISION.

WHEREAS, in December, 1984, the City Council revised Chapter 27, Refuse, of the Abilene Municipal Code to provide for the establishment of amounts and procedures to be followed in regard to fees, and bills by way of City Council Resolution rather than Ordinance; and,

WHEREAS, Section 27-65 and Section 27-95 of the Abilene Municipal Code provide for the establishment of a Schedule of Rate and Charges for Refuse Collection Division; and,

WHEREAS, the Schedule of Rates and Charges for Refuse Collection Division has from time to time been revised by the Council; and,

WHEREAS, at this time there is need to revise said Schedule of Rates and Charges for Refuse Collection Division; now, therefore,

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF ABILENE, TEXAS:

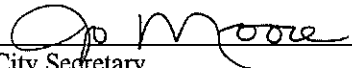

PART 1: That the Schedule of Rates and Charges for Refuse Collection Division currently in effect is hereby replaced by the Schedule of Rates and Charges for Refuse Collection Division attached hereto as Exhibit "A".

PART 2: That this Schedule of Rates and Charges for Refuse Collection Division shall be kept on file in the City Secretary's office and in the Refuse Collection Division offices.

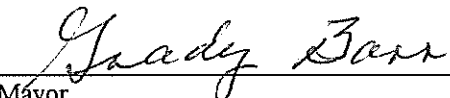

PART 3: That the effective date of this action shall be the first billing cycle in October, A.D., 2000.

ADOPTED the 18 day of July, A.D., 2000

EXHIBIT A

SCHEDULE OF RATES AND CHARGES FOR REFUSE COLLECTION DIVISION

(Rates as stated do not include required sales tax.)

I. RESIDENTIAL COLLECTION SERVICE

Each residential unit receiving City of Abilene water service shall be charged a monthly refuse collection fee of \$10.50, which includes fees for State and Federal requirements. Each residential unit within the city limits but not utilizing the city water service shall establish a refuse only account with the Utility Service Office and be charged the \$10.50 fee.

Residential units where a portion of the building or premises, not exceeding two hundred fifty (250) square feet, is used for commercial purposes shall be charged an additional \$7.50 per month. Where the area so used exceeds two hundred fifty (250) square feet, collection service will be charged at the non-residential rates set forth in Sec. III.

II. CARRY-OUT SERVICE

The special service charge shown below shall be made to defray the extra cost for carryout services. These distance charges are in addition to the basic residential unit rate per month. This carryout service is for households refuse only. Yard refuse, bulk items and packing boxes shall be placed within ten feet of the curb for collection. NOTE: No new customers will be accepted for this service.

<u>Location of Collection Point (distance from the curb)</u>	<u>Monthly charge</u>
10 – 50 feet	\$23.00
50 – 100 feet	41.00
100 – 150 feet	60.00

(No service over 150 feet)

III. COMMERCIAL COLLECTION SERVICE (NON-RESIDENTIAL)

Refuse collection for businesses, commercial, educational and other non-residential buildings or other institutions is provided primarily by frontloader and roll-off service. The rates and charges, which are monthly unless otherwise stated, are given in the following paragraphs. The rates are based upon one user per container. In cases of more than one user per container, the Program Manager – Refuse Collection shall divide the monthly collection fee among the users served according to the proportionate amount of refuse generated by each user. However, the minimum fee for each person, business, or non-residential customers with City of Abilene water service shall be \$15.00. Those non-residential customers with City of Abilene water service who elect not to use the City commercial refuse services will be charged a monthly non-user fee of \$13.00.

B. Container Damage

Customers will pay a fee for repairs made to containers as a result of damage not attributed to normal wear and tear or vandalism. Repairs will be made upon request or at the discretion of the Program Manager – Refuse Collection, who shall determine normal wear and tear. The fee will be determined by the type and extent of repair and will include all costs of the repair.

C. Missing Containers

Customers will pay a replacement fee for the replacement of a missing container. The fee will be equal to the current bid price accepted by the City for the same type and style container that is missing. Missing containers could be the result of theft of an unsecured container or removed from the location by the occupant or their contracted mover. The Program Manger – Refuse Collection shall determine which of those scenario applies, if any, and apply the replacement fee.

D. Remote Service

When a residential or commercial service is requested that is not on a regular route, a monthly per mile fee may be charged in addition to the basic monthly service fee. Mileage will be based on distance from route to the location and back to the route for each collection. The per mile charge is \$5.00.

E. Excess Trash Accumulations

1. Brush and bulky collection services are available to all residents paying monthly residential collection service charges authorized in Section I. Intervals between collections are based on crew availability and the amount of material being collected. Items and quantities that can be collected without charge are outlined in Chapter 27 of the Abilene Municipal Code.
2. Apartment/mobile home complex owners/managers paying a monthly collection charge that is less than the residential rate multiplied by the number of units in the complex are responsible for the disposal of all excess trash accumulation that does not fit in the container or items not allowed to be collected by the Refuse Collection Division as outlined in Chapter 27 of the Abilene Municipal Code.
3. When residential or commercial customers request extra service, the following service will be provided but is subject to the availability of the equipment and personnel at the time of the request.
 - a) Brush Truck Service. Self-loading by the customer is required. Per load \$66.00
 - b) Rearloader Manual Service. City crew will perform loading services. This service is charged by the hour, including travel time to and from the location. Per hour \$35.00

F. Tires

Section 27-28 of the Abilene Municipal Code prohibits putting tires in refuse containers. Customers are responsible to insure tires are not placed in containers or are removed prior to collection. The city will charge a removal and processing fee for each tire found in a container. The per tire charge is \$6.00.

G. Service After Regular Hours

For requested service provided after normal route collection hours, an overtime fee to cover personnel costs will be added to the regular charge for the requested service.

V. RATE MODIFICATIONS

Refuse collection services may be provided within the capabilities of the Refuse Collection Division to installations with unusual locations, types or accumulations of refuse at a charge established by the Program Manager - Refuse Collection based on actual costs.

The Program Manager - Refuse Collection may modify existing rates to meet special requirements of customers. These will be reviewed and approved by the Director for Public Works.

Charges for collection of refuse that has been compacted or which consists of incompressible material shall be three (3) times the standard fees for service, except for the stationary compactor service.

VI. SERVICE OUTSIDE CITY

Charges for service rendered outside the City limits shall be double the rates established by this resolution. Such service shall be within the capabilities of the Refuse Collection Division and may be provided or terminated at the discretion of the Program manager - Refuse Collection.

VII. BILLING: DISCONNECTION OF WATER FOR FAILURE TO PAY BILL

The charge fixed in this resolution for the collection, removal, and disposal of all refuse shall be entered in the respective amounts as charges against each owner, manager, occupant, tenant or lessee, and the amount fixed and charged shall be collected monthly in connection with and as a part of the water bill of the City.

Should any owner, manager, occupant, tenant, or lessee of any place of abode or of any business or commercial establishment fail or refuse to pay the charges fixed against him and his abode or his place of business when due, the City shall have the right to disconnect water service to his place of abode or place of business against which such refuse or trash collection fees and water charges have been fixed and assessed.
